RE: CERTIFICATION

Dear Mr. Osuma:

The City of St. Louis is pleased to notify you that your firm meets the requirements for certification as a Disadvantaged Business Enterprise (DBE), in accordance with MRCC policies and procedures, and Title 49, Part 26 of the Code of Federal Regulations.

Attached is the MRCC joint certificate that reflects the effective dates of your certification and the specific work types you are certified to perform. Work done by your firm on federally-assisted projects in Missouri will count toward applicable DBE participation goals if your firm performs a commercially useful function, is responsible for a distinct element of the work of a contract, and carries out its responsibilities by actually performing, managing and supervising the work.

If there are any changes in the ownership, control, mailing address or telephone number of your firm, you must notify this office immediately. Failure to report any of these changes to this office or violation of the rules of the DBE Program may result in the revocation of your certification or other possible legal actions as set forth by Title 49 Part 26 of the Code of Regulations.

This certification is valid for three years. Renewal forms will be sent to you at least 60 days prior to every third (3<sup>rd</sup>) anniversary date of your certification. Also in order to maintain your certification with the MRCC, you must submit an annual update that will be sent to you at least 45 days prior to the anniversary date of your certification. It is your responsibility to ensure that your certification is kept up to date by submitting the required documentation as necessary.

Your firm's name will appear in the next edition of the Directory of Disadvantaged, Minority & Women Owned Businesses. This Directory is distributed to city departments, the airport's tenants, and to all firms bidding on city and airport contracts.

Your firm's name will appear in the MRCC DBE Directory. This directory is distributed to all MRCC joint agencies, outside agencies, developers, general contractors, and suppliers. The directory can also be accessed via the Internet at:  
<http://www.modot.org/ecr>

Sincerely,

  
Jackie Taylor  
Certification Manager
